These illustrations took many, many hours to design and draw.

Please do not photocopy them, or scan them for reprinting, and do not post them on websites or give them away. The profit from this book goes to support the Northumbria Community and Francesca Ross, and 'the one who does the work has a right to be paid' (Luke 10:7).

Great for holidays, retreats, quiet times and for calming restless minds, this colouring book contains seven more of the section divider illustrations drawn for the Northumbria Community's *Celtic Daily Prayer* books by Francesca Ross. They are each matched with a meditation from the books, surrounded by a knotwork border especially designed to go with it.
